Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Standardized National School Safety Curriculum For Local Law Enforcement And School Resource Officers in fiscal year 2024. The entity to receive funding for this project is Indian River State College, located at 3209 Virginia Avenue Fort Pierce, FL 34981.

The funding would be used to develop a standardized, vetted, hybrid, national school safety curriculum for law enforcement and school resource officers.

The project is an appropriate use of taxpayer funds because This effective training program will help to improve school safety in our immediate community and communities across this nation.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brian J. Mast
